

INTERNAL QUALITY ASSURANCE CELL

Name of the Institution : **KUNDAVAI NAACCHIYAAR GOVT. ARTS
COLLEGE FOR WOMEN (A),
THANJAVUR – 613007.
TAMILNADU**

Principal : **MS. P. PRABHA, M.SC., M.PHIL., (I/C)**

Years of the Report : **2007 – 2008**

PART-A

The plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement and outcome achieved by the end of the year.

- To strengthen the infrastructure facilities.
- To insist the Government to recruit teachers for the vacant positions.
- To enhance the quality of teaching - learning process.
- To stress the importance of English as the language of communication in the campus.
- To strengthen the activities and functioning of the Career Guidance and Placement Cell.
- To motivate the faculty members to take up minor and major projects.
- To organize National and International Seminars.
- To conduct seminars to enlighten the faculty with reference to Autonomy.
- To introduce Bridge Course at the beginning of the academic year for students from vernacular medium.
- To offer computer skills for all the I year students.(Computer Literacy Programme)
- To construct a new Science Research Block.
- To start new extension service-Prison Ministry and adoption of new villages by the NSS.
- To start Research Programme in all Department.
- To conduct an academic audit of departments.
- To promote collaborative research with academic bodies-industries.
- To fulfil Minimum Institutional Requirements (MIR) recommended by NAAC and strengthening the IQAC.
- By using the institutional website.
- To encourage teaching staff to undertake more research projects

- To provide training to both teaching and non teaching staff in the functional use of computers
- To provide Internet access to research scholars
- To strengthen the Entrepreneurship Development Cell through IQAC
- To sustain a “green movement” in the college by undertaking projects on environmental management within the campus
 - By creating an Herbal Garden to be managed by the Botany Department
 - By growing flora and fauna within the campus
- To increasingly involve stakeholders in the overall development of the college(PTA)
- To improve the existing infrastructure
- To strive towards better student performance in the examinations
- To prepare the students to meet global challenges
- To integrate the activities of the college through the IQAC.

PART-B

1. ACTIVITIES REFLECTING THE GOALS AND OBJECTIVES OF THE INSTITUTION

The Government Arts College for Women was established in 1966 with the main objective of providing higher education for women of Thanjavur. The College was rechristened as “Kunthavai Naacchiaar Govt. Arts College for Women” in memory of the illustrious sister of Raja Raja Chola on the occasion of the 1000th anniversary celebration of the coronation of the great king of Thanjavur.

Initially, when the college was started, only Pre-University Courses were offered. Thereafter, in 1969, the college was upgraded by introducing U.G. Courses in History and Chemistry. Later, from 1972 to 1999, the academic activity in the institution progressed in leaps and bounds with the addition of a series of U.G. Courses such as B.A. in Geography, English Literature, Economics, Tamil Literature, U.G. Programme in Botany, Zoology, Physics, Mathematics, Computer Science and B. Com Degree Programme.

An impetus for higher education was given when the P.G. Programme in History, English Literature and Economics were introduced in the college during the years 1976, 1981 and 1998 respectively. Apart from these day college programmes, self – financing programme in Economics,

Commerce and Tamil Literature were also introduced during the year 1993 – 1994. The PG Courses started under the Self – Financing Scheme in 2004 were converted into the regular stream in 2005.

Special Shift System (SSS) was introduced in the year 2006 by the State Government Policy of educating more children with the available infrastructure. Additional sections were introduced in Mathematics, Computer Science and Commerce. Later in 2007, two additional sections were introduced in Physics.

The college which had a model beginning with just three sections of Pre-University Courses in 1966 presently has 14 Departments in the faculties of Arts, Science and Commerce offering 4 U.G. Programmes and 11 P.G. Programmes.

It has faculty strength of 100 members of whom 60 members have acquired Ph.D degree. In the mean time, the student strength of the college has increased from 260 to 4800. A majority of the students come from rural areas and are first generation learners.

The academic, extr- curricular and extension programmes are largely aimed at the personality development under the able leadership of several eminent female academicians who served as principals of this college.

The College, which was originally affiliated to Madras University, came under the jurisdiction of Bharathidasan University since 1982. It is now adjudged as one of the best women's colleges in Tamilnadu by the Directorate of Collegiate Education and stands second among the Government Colleges within the state based on the success rate of the students. It has strong co – curricular and extra – curricular activities.

The development of the college was marked by the immediate acquirement of additional land making it capacious. Then classrooms, laboratories and hostels were built in par with the swelling students' strength.

The institution reached a milestone in 2000 when NACC team visited and accredited it with Three Star Status. The institution affiliated to Bharathidasan University, Tiruchirappalli has attained autonomous status during the academic year 2004 – 2005. From 2005 onwards the curriculum design and model adopted by the college follows Choice Based Credit System (CBCS)

and Semester Pattern. This CBCS Pattern enables the students to enlighten themselves in different fields by choosing the options in the elective courses of their own interest.

The institution has Fourteen under Graduate Programmes and Eleven Post Graduate Programmes in the faculties of Arts, Science and Commerce. The Department of Mathematics, Botany and Economics provide full time / part time research facilities. The academic reputation has already been enhanced by the grant of autonomy and the status of accreditation is an offshoot of academic excellence. Autonomy has provided the academic freedom required to design innovative curricula and use multimedia and modern methods of teaching and evaluation. In other words, it had given a new dimension to the institution - a new mind- set to the teachers and new hope to the students.

The academic profile of the staff of the college is quite impressive. The Bharathidasan University recognizes many of the staff members as research supervisors who have subsequently produced Ph.D's and M.Phil's. The faculty together with the principal form an efficient team that can respond to the ever changing needs of the institution.

We deem it a very rare and proud privilege to keep on records, the academic excellence of our students. The achievements of all departments are notable and good. Many departments have obtained 100% results. In almost all the departments, students secure more ranks and it is really significant as the college caters to the needs especially of the poor downtrodden from remote interior villages. In the field of sports also, most of our students prove their mettle in many events. They strive hard for excellence. They cherish a true spirit of sportsmanship and it is sustained throughout.

ACTIVITIES:

- a. Syllabus revision is done once in 3 years.
- b. Feedback from Alumni towards revision/improvement.
- c. Soft Skill Courses for the students by the faculty.
- d. Encouraging the staff members to carry out research at doctoral level.
- e. Providing opportunities to faculty members to carry out their research in the University itself and also in the other Universities.
- f. Staff members are encouraged / permitted to participate in International, National Conferences, Seminars and Workshop etc.

- g. Encouraging faculty members to publish research papers in refereed National /International journals and to author books.
- h. Encouraging the students to take active participation in NSS (National Service Scheme), YRC (Youth Red Cross) activities.
- i. Students are given chance to participate in the day to day administration activities in the college through various clubs and societies. The objective is to improve their leadership quality, personality, and life skills.
- j. Student's Assembly comprising prayer, devotional hymn/song, thought-for-the-day, reading from Tirukural is held on weekly basis.
Teachers are committed to the academic improvisation/ improvement and upliftment of the students
- k. They follow tutorial- ward system and have a close contact with the students.
- l. Career Guidance and Placement Cell provides training to students on Personality Development, Soft-Skills to prepare them for better employment.

GOAL:

To be a leading institution of excellence in education and research by providing professional competence to meet the academic, scholastic and societal needs.

OBJECTIVES:

- 1. To introduce PG Courses in the left out departments and also job oriented Course like MCA and other applied courses.
- 2. To introduce M.Phil Degree Course in (English)
- 3. To introduce some Certificate Courses
- 4. To prepare a comprehensive student chapter of rights and responsibilities.
- 5. To identify, implement, institutionalize, internalize and disseminate the best practices in the institution through IQAC.
- 6. To make computers available in classrooms
- 7. To provide quality education and to produce better results
- 8. To encourage research activities
- 9. To fill up existing vacancies in teaching and non teaching positions

10. To prepare the students fo face global challenges
11. To conduct English classes for effective communication and to create self-confidence
12. To invite subject experts from outside for interaction
13. To involve more students in community service
14. To encourage student involvement in sports.
15. To provide effective student counselling and value education-Staff-in Charge
16. To impart vocational Training to students with assistance of BARD IECD (Institute for Entrepreneurship and Carrier Development) Population Club to address issues on AIDS.
17. To undertake environmental projects on Disaster Management.
18. To make an effective use of the alumni association in the over all development of the institutions.
19. To make an effective use of a PTA in the overall development of the institutions

2. NEW ACADEMIC PROGRAMMES INITIATED (UG AND PG)

New UG Courses were started from the year 2007 -08

SPECIAL SHIFT SYSTEM (SSS) was introduced in the year 2006 by the State Government Policy of educating more children with the available infrastructure. Additional sections were introduced in Mathematics, Computer Science and Commerce. Later in 2007, two additional sections were introduced in Physics.

3. INNOVATIONS IN CURRICULAR DESIGN AND TRANSACTION

1. As per the directions of the UGC, all the UG students undergo compulsory courses in Environmental Studies.
2. Curriculum has been framed based on the students performance and to meet global challenges.
3. Based on the following factors, the curriculum has been designed :
 - ❖ Academic
 - ❖ Training
 - ❖ Self Development
 - ❖ Employment

- ❖ Entrepreneurship
- ❖ Meet the challenges
- ❖ Good citizen
- ❖ Social Transformation
- ❖ Self Motivation
- ❖ Instil Confidence
- ❖ Research .

4. INTER-DISCIPLINARY PROGRAMMES STARTED

DEPARTMENT OF TAMIL

2007-2008

Open Elective (Non Major Elective) has been introduced for the II Year UG students

| Department | Title of Non Major Elective |
|-------------------|------------------------------------|
| TAMIL | EC2 – Ariviyal Tamil |
| | EC4 – Panithervu tamil |

Elective Courses offered to PG students

| Department | Subject Title |
|-------------------|-------------------------------------|
| Tamil 2007-08 | Tamilaga varalarum Tamilar panpadum |
| | Ithaliyal – Orr Arimugam |
| | Payana Ilakkiyangal |

DEPARTMENT OF ENGLISH

2007-2008

Open Elective (Non Major Elective) has been introduced for the II Year UG students

| Department | Title of Non Major Elective |
|-------------------|---|
| ENGLISH | A Basic Course in English Grammar British Poetry, Drama, Prose and Fiction |

Elective Courses offered to PG students

| Department | Subject Title |
|-------------------|-----------------------------|
| English | Literature and Theatre Arts |
| English | Feminist Literature |
| English | Writing For the media |

DEPARTMENT OF HISTORY

Open Elective (Non Major Elective) has been introduced for the II Year UG students

| Department | Title of Non Major Elective |
|-------------------|------------------------------------|
| History | Constitution of India |
| | Journalism |

Elective Courses offered to PG students

| Department | Subject Title |
|-------------------|---|
| History | Tourism and Travel Management |
| | Freedom Movement in India from 1885 to 1947 A.D |
| | Women in Modern India |

DEPARTMENT OF ECONOMICS

Open Elective (Non Major Elective) has been introduced for the II Year UG students

| Department | Title of Non Major Elective |
|-------------------|------------------------------------|
| Economics | Indian Economy |
| | Economics of Insurance |

Elective Courses offered to PG students

| Department | Subject Title |
|-------------------|---------------------------------------|
| Economics | Economics for competitive Examination |
| | Women and Development |
| | Economics of Insurance |

DEPARTMENT OF COMMERCE

Open Elective (Non Major Elective) has been introduced for the II Year UG students

| Department | Title of Non Major Elective |
|-------------------|------------------------------------|
| Commerce | Accounting Practices |
| | General Commercial Knowledge |

Elective Courses offered to PG students

| Department | Subject Title |
|-------------------|--|
| Commerce | Banking practices Consumer Empowerment Accounting for Executives |

DEPARTMENT OF MATHS

Open Elective (Non Major Elective) has been introduced for the II Year UG students

| Department | Title of Non Major Elective |
|--------------------|------------------------------------|
| Mathematics | Methods of Operation Research |
| | Commercial mathematics |

Elective Courses offered to PG students

| Department | Subject Title |
|-------------------|--|
| Mathematics | Numerical methods Resource management Techniques (O.R) Optimization Techniques |

DEPARTMENT OF COMPUTER SCIENCE

Open Elective (Non Major Elective) has been introduced for the II Year UG students

| Department | Title of Non Major Elective |
|-------------------|------------------------------------|
| Computer Science | Information Technology |
| | Internet and Web Design |

Elective Courses offered to PG students

| Department | Subject Title |
|-------------------|--|
| Computer Science | Management Information System and ERP E-Commerce and E Business Visual Programming |

DEPARTMENT OF STATISTICS

Open Elective (Non Major Elective) has been introduced for the II Year UG students

| Department | Title of Non Major Elective |
|-------------------|------------------------------------|
| Statistics | Statistical methods |
| | Bio statistics |

DEPARTMENT OF PHYSICS

Open Elective (Non Major Elective) has been introduced for the II Year UG students

| Department | Title of Non Major Elective |
|-------------------|------------------------------------|
| Physics | Fundamental Physics |
| | Communication systems |

DEPARTMENT OF CHEMISTRY

Open Elective (Non Major Elective) has been introduced for the II Year UG students

| Department | Title of Non Major Elective |
|-------------------|------------------------------------|
| Chemistry | Domestic Chemistry |
| | Hydrochemistry |

Elective Courses offered to PG students

| Department | Subject Title |
|-------------------|---|
| Chemistry | Industrial Chemistry Chemistry of Bio molecules Polymer Chemistry |

DEPARTMENT OF BOTANY

Open Elective (Non Major Elective) has been introduced for the II Year UG students

| Department | Title of Non Major Elective |
|-------------------|------------------------------------|
| BOTANY | Mushroom Culture |
| | Industrial Microbiology |

Elective Courses offered to PG students

| Department | Subject Title |
|----------------------------------|---|
| Botany II Semester IIISemster | Bio fertilier Gardening and Flower decoration Phyto Pharmacognosy |

DEPARTMENT OF ZOOLOGY

Open Elective (Non Major Elective) has been introduced for the II Year UG students

| Department | Title of Non Major Elective |
|-------------------|------------------------------------|
| Zoology | Poultry Science |
| | Aqua Culture |

Elective Courses offered to PG students

| Department | Subject Title |
|-------------------|---|
| ZOOLOGY | Apiculture Ornamental Fish Culture Aqua Culture |

DEPARTMENT OF GEOGRAPHY

Open Elective (Non Major Elective) has been introduced for the II Year UG students

| Department | Title of Non Major Elective |
|------------|--|
| Geography | Geography for competitive Examination |
| | Principles of Satellite remote sensing |

Elective Courses offered to PG students

| Department | Subject Title |
|------------|--|
| Geography | Geography for Competitive Examination |
| | Bio Geography |
| | Principles of Disaster Management in Geography |

5. EXAMINATION REFORMS IMPLEMENTED:

- Semester Pattern of Examination is introduced.
- Academic Calendar is prepared and followed by the institution for its various activities like tests, semester examinations and other activities.
- Instant Examinations are conducted for the unsuccessful candidates within 15 days of publishing the results of the semester examinations and thereby the candidates have the advantage of going with the regular stream without losing semester.

6. CANDIDATES QUALIFIED: NET/SLET/GATE ETC:

NIL

7. INITIATIVE TOWARDS FACULTY DEVELOPMENT PROGRAMME:

NIL

8. TOTAL NUMBER OF SEMINARS /WORKSHOPS CONDUCTED**DEPARTMENT OF TAMIL****Orientation and Refresher Courses Attended (2007-08)**

| Name & Designation | Duration of the Course | University |
|---|--|-------------------------------------|
| Dr.S.Vaijayanthimala Assistant Prof. in Tamil | Orientation Course 26-12-2007 to 24-01-2008 | Bharathidasan University, Trichy |

List of Papers Presented by the faculty - 2007-2008

| S.No | Department Name | Title of the paper presented | Place & Date |
|------|---------------------------|--|---|
| 1. | Dr.A.Kanmani Joan of Arch | 1. Impacts of Computer Applications in Banks 2. Insurance Marketing : TATA AIG Life Insurance 3. E- Learning | Cauvery college for women and Bharathidasan University, Trichy – 7 th and 8 th April 2007 Cauvery college for women and Bharathidasan University, Trichy – 7 th and 8 th April 2007 Lingaraj College, Belgaum – 14 th and 15 th April 2007. |

DEPARTMENT OF MATHS

Orientation and Refresher Courses Attended (2007-2008)

1. Dr.V.Vinoba – Orientation Course -26-12-07 to 25-01-2008

| S.No | Department | NAME | Seminar/ Workshop/ | Title of the Paper | Date/Place |
|------|-------------|--------------|--|---|--|
| 1. | Mathematics | Dr.S.Lakshmi | State Level Seminar | The dynamic effects of the Hormones CRH, ACTH, and Cortisol in HPA axis regulation | Shrimati Indira Gandhi College,Trichy, August 2007 |
| 2 | Mathematics | Dr.S.Lakshmi | International conference on “ Advances in Mathematics : Historical development and Engineering applications | Mathematical model for the effects of stress on the parts of the brain | G.B.Pant University of Agriculture and Technology, Pant Nagar, Uttarakhand, Dec.19 – 22 , 2007 |
| 3 | Mathematics | Dr.S.Lakshmi | Advances in Mathematics : Historical development and Engineering applications | A Stochastic model for the increase of Dopamine due to stress | G.B.Pant University of Agriculture and Technology, Pant Nagar, Uttarakhand, Dec.19 – 22 , 2007 |
| 4. | Mathematics | Dr.S.Lakshmi | International conference on Advances in Mathematics : Historical development and Engineering applications | Stochastic model for cost of adaptation due to acute stress , memory attention and cortisol | G.B.Pant University of Agriculture and Technology, Pant Nagar, Uttarakhand, Dec.19 – 22 , 2007 |
| 5 | Mathematics | Dr.S.Lakshmi | International conference on Advances in Mathematics : Historical development and Engineering applications | The Transient behaviour of the model for Pepsin secretion | G.B.Pant University of Agriculture and Technology, Pant Nagar, Uttarakhand, Dec.19 – 22 , 2007 |

| | | | | | |
|----|-------------|--------------|---|---|--|
| 6 | Mathematics | Dr.S.Lakshmi | International conference on Advances in Mathematics : Historical development and Engineering applications | A Stochastic model for the meantime until the cumulative cortisol secretion exceeding the threshold level to the degree of sleep disturbances | G.B.Pant University of Agriculture and Technology, Pant Nagar, Uttarakhand, Dec.19 – 22 , 2007 |
| 7 | Mathematics | Dr.S.Lakshmi | International conference on Advances in Mathematics : Historical development and Engineering applications | Stochastic stability of Growth collapse processes for amino acid induced to prevent Hypothermia during Anesthesia | G.B.Pant University of Agriculture and Technology, Pant Nagar, Uttarakhand, Dec.19 – 22 |
| 8 | Mathematics | Dr.S.Lakshmi | National Conference on Recent developments in Mathematics and it's Applications | A Weibull Inverse power law model for the increase of Cysteinyl- DA due to stress | Govt.Arts College for Women, Pudukkottai, 28 th & 29 th March 2008 |
| 9 | Mathematics | Dr.S.Lakshmi | International conference on Advances in Mathematics : Historical development and Engineering applications | A Stochastic model for the meantime until the cumulative cortisol secretion exceeding the threshold level to the degree of sleep disturbances | G.B.Pant University of Agriculture and Technology, Pant Nagar, Uttarakhand, Dec.19 – 22 , 2007 |
| 10 | Mathematics | Dr.S.Lakshmi | International conference on Advances in Mathematics : Historical development and Engineering applications | Stochastic model or the neural regulation of ACTH secretion in man | G.B.Pant University of Agriculture and Technology, Pant Nagar, Uttarakhand, Dec.19 – 22 |
| 11 | Mathematics | Dr.S.Lakshmi | National Conference on Recent developments in Mathematics and it's Applications | Stochastic Model for the Cost of Adaptation due to Acute Stress , in terms of Cortisol | Govt.Arts College for Women, Pudukkottai, 28 th & 29 th March 2008 |

| Name | Seminar/Workshop /Conference Orientation Course | Place & Date |
|-----------------------|---|--|
| Mrs. S. Sreekala | Refresher Course on Climatic Change and Sustainable Development | 26.12.2007 - 24.01.2008 Academic Staff College, Madras University, Chennai. |
| Dr. (Ms) G. Hemalatha | Workshop on Curriculum Development And Evaluation | 08-03-2007_ 10-03-2007 K.N.Govt.Arts College Thanjavur |

- Computer aided Teaching
- Computer Equipped lab with 8 working system
- Well Equipped Lab with Furnished Tracing Tables
- LCD Presentation
- Educational CDs
- Map Info Software is introduced in curriculum – Practical
- GPS availability – 6
- Internet connection

18.COMMUNITY SERVICES:**Environmental Education Club**

To create interest in activities other than the curriculum, Part V extension activities are introduced in our College. Department of chemistry was in-charge of Environmental education during 2007-2008. Inside the college premises different areas are allotted to group of students and they are provided with necessary equipment and are expected to keep the area clean and tidy. The students should work 90 hours in the second year of their study. The activity should be performed outside the class hours.

| S.No. | Date | Activity | Place | Resource Persons |
|--------------|-------------|---|------------------------------|---|
| 1 | 22.08.2007 | Awareness about keeping the Environment clean | K.N.G.A. COLLEGE, Thanjavur. | Mrs. P. Eadith betsi bai Department of Chemistry, K.N.G.A. College(w)., Thanjavur-7 |
| 2 | 18.09.2007 | Adverse effects of environmental pollutikon. | K.N.G.A. COLLEGE, Thanjavur. | Mrs. B.Manonmani Department of Chemistry, K.N.G.A. College(w)., Thanjavur-7 |
| 3. | 8.01.2008 | Causes and prevention of pollution | K.N.G.A. COLLEGE, Thanjavur. | Mrs.R.Santhal Department of Chemistry, K.N.G.A. College(w)., Thanjavur-7 |

National Service Scheme(NSS)

| Year | Staff Incharge | Activity |
|-------------|---|---|
| 2007-2008 | Dr.G.Rani (Phy)&mrs.K.Rangammal(His) | Dr.G.Rani was nominated as a member of University level NSS Advisory committee by Vice Chancellor of Barathidhasan University |

National Integration samiti (NIS)

| Year | Staff Incharge | Activity |
|-------------|----------------------------|--|
| 2007-2008 | mrs.S.Chandravathanam(His) | Celebration of Gndhijayanthi Matryrs' Day. |

Old students Association(OSA)

| Year | Staff Incharge | Activity |
|-------------|--|---------------------------------------|
| 2007-2008 | Dr.G.Nirmala (Maths)& Dr.P.Vembarasi(His) | Conducted every year Convacation day. |

Parents Teachers Association

| Year | Staff Incharge | Activity |
|-------------|------------------------|---|
| 2007-2008 | Mrs.S.Banumathi (Chem) | Contacted parents Teachers meeting and Held discussion pertaining to the welfare of the student |

DEPARTMENT OF CHEMISTRY

Library

No. of Text books : 500

No. of Reference books : 1164

No. of Journals : 3

Journals Particulars

1. International journal of chemical science - Quarterly
2. International journal of pure and applied chemistry - Half yearly
3. Indian journal of chemistry – Monthly

No. of magazines : Nil

It is currently housed in a portion of a class room with facility for a group of students to sit and read. The library has more than 1500 books. It include reference books, text books, tamil medium books, journals, as well as book bank books. These books are neatly classified according to the subject. Mrs. R. Geetha and Dr. P. Shanthy are the in charge of the department library.

MODE OF ISSUE:

Books are issued on all the days of week they can choose one book and keep it for a week. She can get the book reissued for one more week if no other student has registered for the book.

Average no. of books issued per day : 15

Average no. of books issued per month : 300

Ratio of library book to the no of students : 6

Around 185 books are available in the book bank. Financially weak students are utilizing the books and they are allowed to keep them during exam time. Question bank is also kept in the library for the benefit of the students.

23. COURSES IN WHICH STUDENT ASSESSMENT OF TEACHERS IS INTRODUCED AND THE ACTION TAKEN ON STUDENT FEEDBACK:

Feedback about the teacher's performance is collected from students through Questionnaire, Suggestions through PTA meeting. If any remarks are found against any teacher she is advised to rectified. After getting feedback from the students of UG III year, PG I year and PG II year, the teaching methods have been changed. For example, the classes are taking for I and II PG students by using LCD Projector through computer. Student feedback is provided by the students in hand-written form for each subject and action to improve teaching has been taken there

24. UNIT COST OF EDUCATION:

| | |
|-----------------------------------|---------------|
| Total No. of Students (2007 - 08) | - 3614 |
| Unit cost (with salary) | - Rs. 8208.35 |
| Unit cost (without salary) | - Rs. 108.84 |

25. COMPUTERIZATION OF ADMINISTRATION AND THE PROCESS OF ADMISSIONS AND EXAMINATION RESULTS, ISSUE OF CERTIFICATES

| Area of operation | Computerization |
|---------------------------|------------------------|
| Admission | Fully Computerised |
| Fees Collection | Not Computerised |
| Controller of Examination | Fully Computerised |
| Office | Patially Computerised |
| Library | Patially Computerised |

26. INCREASE IN THE INFRASTRUCTURAL FACILITIES**DEPARTMENT OF TAMIL**

Infrastructure Development provided (2007-2008):

Funds utilized from UGC: bought books (Rs.30,000)

DEPARTMENT OF COMMERCE

Infrastructure Development provided (2007-2008):

Equipment:

2007 – 2008 - UGC XI plan - UPS – Rs.9250

DEPARTMENT OF PHYSICS**Infrastructure Development provided (2007-2008):**

- **Spray Pyrolysis Unit for Thin Film deposition**
- **Ultrasonic cleaner**
- **Magnetic stirrer**
- **Electronic weighing Machine(Upto five decimal)**
- **Distillation Unit**
- **Accessories for Crystal Growth**
- **Soft ware packages for Crystallography study**

Funds utilized from UGC:

FUTURE PLAN:

DEPARTMENT OF ECONOMICS

1. Paccka Library
2. Computer skills.
3. To equip the student for placement.

DEPARTMENT OF STATISTICS

1. Computer lab for practicals
2. Research room for curriculum development.

DEPARTMENT OF PHYSICS

The department is planning to start,

1. Post graduate Course in Physics
2. Part -Time M.Phil Course
3. Full-Time M.Phil Course
4. Full-Time Ph.D Course
5. Short term Course on Communication skills.

The above mentioned proposals will inculcate the research attitudes among the students and facilitate them to face future challenges in the field of higher education.

DEPARTMENT OF CHEMISTRY

- a. To get allotment to construct a fully equipped PG lab
- b. To enhance the research activities
- c. To invite more subject experts for interaction with students
- d. To make an effective use of the alumni for the overall development of the institution
- e. To involve more students in community services

- f. To encourage the students involvement in sports and extra-curricular activities.
- g. To provide effective student counselling to create self-confidence and to face global challenges.
- h. To make computers available in class room.
- i. To impact vocational training to students with the assistance of entrepreneur and carrier development committee.
- j. To prepare a student charter of right and responsibility

DEPARTMENT OF GEOGRAPHY

Launching New GIS Lab

Upgrading land survey practicals using GPS

Develop to Research Department

PART-C

DETAIL THE PLANS OF THE INSTITUTION FOR THE NEXT YEAR

- ❖ To motivate the faculty members to undertake Major Research Projects funded by UGC, ICSSR and HRD.
- ❖ To establish a Women Development Cell in the College
- ❖ To start M.B.A Programme in the next academic year.
- ❖ To complete construction of indoor stadium.
- ❖ To identify a target group through Placement Cell and give training in soft skills for employment.
- ❖ To cater to the needs of slow learners through remedial classes
- ❖ To conduct an academic audit in the next academic year inviting experts from other institution of excellence.
- ❖ To promote collaborative research through MoU with academic bodies / industries.
- ❖ To organize national seminars / conferences for dissemination of information.
