

INTERNAL QUALITY ASSURANCE CELL

Name of the Institution : **KUNDAVAI NAACCHIYAAR GOVT. ARTS
COLLEGE FOR WOMEN (A),
THANJAVUR – 613007.
TAMILNADU**

Principal : **MS. P. PRABHA, M.SC., M.PHIL., (I/C)**

Years of the Report : **2010 – 2011**

PART-A

The plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement and outcome achieved by the end of the year.

- To strengthen the infrastructure facilities.
- To insist the Government to recruit the teachers for the vacant positions.
- To enhance the quality of teaching - learning process.
- To stress importance of English as the language of communication in the campus.
- To strengthen the activities and functioning of the Career Guidance and Placement Cell.
- To motivate the faculty members to take up minor and major projects.
- To organize National and International Seminars.
- To conduct seminars to enlighten the faculty with reference to Autonomy.
- To introduce Bridge Course at the beginning of the academic year for students from vernacular medium.
- To offer computer skills for all the I year students.
- To construct a new Science Research Block.
- To start new extension service-Prison Ministry and adoption of new villages by the NSS.
- To prepare for the NAAC Peer Teamvisit and orient all Departments/Research Centres of the college towards re-accreditation.
- To start Research Programme in all Department.
- To conduct an academic audit of departments.
- To promote collaborative research with academic bodies-industries.
- To fulfil Minimum Institutional Requirements (MIR) recommended by NAAC and strengthening the IQAC.

- By using the institutional website.
- To encourage teaching staff to undertake more research projects
- To provide training to both teaching and non teaching staff in the functional use of computers
- To subscribe journals/e-journals
- To provide Internet access to research scholars
- To strengthen the Entrepreneurship Development Cell through IQAC
- To sustain a “green movement” in the college by undertaking projects on environmental management within the campus
 - By creating an Herbal Garden to be managed by the Botany Department
 - By growing flora and fauna within the campus
- To request DCE/Government in filling up exiting vacancies of teaching and non teaching staff
- To increasingly involve stakeholders in the overall development of the college(PTA)
- To improve the existing infrastructure
- To strive towards better student performance in the examinations
- To prepare the students to meet global challenges
- To integrate the activities of the college through the IQAC.

PART-B

1. ACTIVITIES REFLECTING THE GOALS AND OBJECTIVES OF THE INSTITUTION:

The Government Arts College for Women was established in 1966 with the main objective of providing higher education for women of Thanjavur. The College was renamed as “Kunthavai Naacchiaar Govt. Arts College for Women” in memory of the illustrious sister of Raja Raja Chola on the occasion of the 1000th anniversary celebration of the coronation of the great king of Thanjavur.

Intially, when the college was started, only Pre Uinversity Courses were offered. Thereafter, in 1969, the college was upgraded by introducing U.G. Courses in History and Chemistry. Later, from 1972 to 1999, the academic activity in the institution progressed in leaps and bounds with the addition of a series of U.G. Courses such as B.A. in Geography, English Literature, Economics, Tamil Literature, U.G. Programme in Botany, Zoology, Physics, Mathematics, Computer Science and B. Com Degree Programme.

An impetus for higher education was given when the P.G. Programme in History, English Literature and Economics were introduced in the college during the years 1976, 1981 and 1998 respectively. Apart from these day college programmes, self – financing programme in Economics, Commerce and Tamil Literature were also introduced during the year 1993 – 1994. The PG Courses started under the Self – Financing Scheme in 2004 were converted into the regular stream in 2005.

Special Shift System (SSS) was introduced in the year 2006 by the State Government Policy of education more children with the available infrastructure. Additional sections were introduced in Mathematics, Computer Science and Commerce. Late in 2007, two additional sections were introduced in Physics. B.B.A in retail management has been introduced in 2009.

The college which had a model beginning with just three sections of Pre University Courses in 1966 presently has 14 Departments in the faculties of Arts, Science and Commerce offering 4 U.G. Programmes and 11 P.G. Programmes.

It has faculty strength of 100 members of whom 60 members have acquired Ph.D degree. In the mean time, the student strength of the college has increased from 260 to 4800. A majority of the students come from rural areas and are first generations learners.

The academic, extra – curricular and extension programme are largely aimed at the personality development under the able leadership of several eminent lady academics who served as principals of this college.

The College, which was originally affiliated to Madras University, came under the jurisdiction of Bharathidasan University since 1982. It is now adjudged as one of the best women's colleges in Tamilnadu by the Directorate of Collegiate Education and stands second among the Government Colleges within the state based on the success rate of the students. It has strong co – curricular and extra – curricular activities.

The development of the college was marked by the immediate acquirement of additional land marking in an expansive campus. There came up gradually the classrooms, laboratories and hostels one after the other, consequent to the steadily swelling students' strength.

The institution reached a milestone in 2000 when NACC team visited and accredited it with Three Star Status. The institution affiliated to Bharathidasan University, Tiruchirappalli has attained autonomous status during the academic year 2004 – 2005. From 2005 onwards the curriculum design and model adopted by the college follows Choice Based Credit System (CBCS) and Semester Pattern. This CBCS Pattern enables the students to enlighten themselves in different fields by choosing the options in the elective courses of their own interest.

The institution has Fourteen under Graduate Programmes and Eleven Post Graduate Programmes in the faculties of Arts, Science and Commerce. The Department of Mathematics, Botany and Economics provide full time / part time research facilities. The academic reputation has already been enhanced by the grant of autonomy and the status of accreditation is an offshoot of academic excellence. Autonomy has provided the academic freedom required to design innovative curricula and use multimedia and modern methods of teaching and evaluation. In other words, it had given a new dimension to the institution: a new mind – set to the teachers and new hope to the students.

The academic profile of the staff of the college is quite impressive. All the 100% of the staff hold M.Phil and 47% of the staff holds Ph.D. The Bharathidasan University recognizes many of the staff members as research supervisors who have subsequently produced Ph.D's and M.Phil's. The faculty together with the principal forms an efficient team that can respond to the ever changing needs of the institution.

We deem it a very rare and proud privilege to keep on records, the academic excellence of our students. The achievements of all departments are notable and good. Many departments have obtained 100% results. In almost all the departments, student secures many ranks and it is really significant as the college caters to the needs especially of the poor the downtrodden from interior villages. In the field of sports also many of our students prove their mettle in many events. They strive hard for excellence. They cherish a true spirit of sportsmanship and it is sustained throughout.

ACTIVITIES:

- a. Syllabus revision is done in every 3 years
- b. Feedback from Alumni towards the latest need of the industry.
- c. Soft Skill development to the students by the Internal Staff.

- d. Encouraging the staff members to carry out their research works.
- e. Providing opportunities to faculty members to carry out their research in the University itself and also in the other Universities.
- f. Staff members are encouraged / permitted to participate in International, National Conferences, Seminars and Workshop etc.
- g. Encouraging faculty members for publishing paper in the national and international journals and for the publication of books.
- h. Encouraging the students to take active participation in NSS (National Service Scheme), YRC (Youth Red Cross) activities.
- i. Students are given chance to participate in the day to day administration activities in the college through various clubs and societies, to improve their leadership personality development and promoting soft skills.
- j. Clean Thanjavur Movement (MSWM - Master of Social Welfare Management) Program is practiced in the college which helps various municipalities, Panchayat in and around Thanjavur for carrying out solid waste management. At present Thanjavur Municipality, Vallam Town Panchayat and Nilgiris Panchayat are the beneficiaries by this movement.
- k. Value Education is given as a part of the curriculam for the first year students of the Under Graduate Courses.
- l. Student's Assembly is conducted weekly one where-in mass prayer through devotional songs 'Thought for the Day', Thirukural a day' are readout by students.
Teachers are committed to the academic improvements and upliftment of the students
- m. They follow tutorial ward system and have a closer contact with students.
- n. Add-on certificate courses, Non-Major Elective Courses, Skill-Based Courses are offered to students to develop their various skills.
- o. Career Guidance and Placement Cell provides training to students on Personality Development and Soft-Skill Development and prepare them with employable skills.
- p. Entrepreneurship Development Cell conducts various programmes with experts drawn from different field of business to cultivate entrepreneurial spirit in students and motivate them to start business of their own.
- q. College has received 10 internet connection through National Mission for Educational Project (NMEICT).

GOAL:

To be a leading institution of excellence in education and research by providing professional competence to meet the academic, scholastic and societal needs.

OBJECTIVES:

1. To introduce PG Courses in the left out departments and also job oriented Course like MCA and other applied courses.
2. To introduce M.Phil Degree Course (English)
3. To introduce some Certificate Courses
4. To prepare a comprehensive student chapter of rights and responsibilities.
5. To identify, implement, institutionalize, internalize and disseminate best practices in the institution through IQAC.
6. To make computers available in classrooms
7. To provide quality education, to produce better results
8. To encourage research activities
9. To fill up existing vacancies in teaching and non teaching positions
10. To prepare the students fo face global challenges
11. To conduct English classes for powerful communication and to create self-confidence
12. To invite subject experts from outside for interaction
13. To involve more students in community service
14. To encourage student involvement in sports.
15. To provide effective student counselling and value education-Staff-in Charge
16. To impart vocational Training to students with assistance of BARD IECD (Institute for Entrepreneurship and Carrier Development) Population Club to address issues on AIDS.
17. To undertake environmental projects on Disaster Management.
18. To make an effective use of the alumni association in the over all development of the institutions.
19. To make an effective use of a PTA in the overall development of the institutions

2. NEW ACADEMIC PROGRAMMES INITIATED (UG AND PG):

New UG Courses were started from the year 2010-2011

- ❖ Six Skill Based Courses are introduced as Part – IV Programme for all UG Programmes.
- ❖ **SPECIAL SHIFT SYSTEM (SSS)** was introduced in the year 2006 by the State Government Policy of education more children with the available infrastructure. Additional sections were introduced in Mathematics, Computer Science and Commerce. Late in 2007, two additional sections were introduced in Physics.

3. INNOVATIONS IN CURRICULAR DESIGN AND TRANSACTION:

1. The course materials for Value Education and Environmental Studies have been prepared by the teachers belonging to the concerned department.
2. As per the directions of UGC, all the UG students undergo compulsory courses on Environmental Studies.
3. Add – on courses were started with focus on Skill Development.
4. Curriculum has been framed based on Students Performance and to meet global scenario.
5. Based on the following factors, the curriculum has been designed:
 - ❖ Academic
 - ❖ Training
 - ❖ Self Development
 - ❖ Employment
 - ❖ Entrepreneurship
 - ❖ Meet the challenges
 - ❖ Good citizen
 - ❖ Social Transformation
 - ❖ Self Motivation
 - ❖ Instill Confidence
 - ❖ Research etc.

DEPARTMENT OF TAMIL

The following table provides the details of the Skill Based Courses introduced under Choice Based Credit System.

New Course/Units Introduced- 2010- 2011

Department	New Course/ Units Introduced in syllabi
U.G Tamil	Domestic Skills Managment Communication and personality development Food Preparation and Preservation Fish Culture House Keeping

DEPARTMENT OF ENGLISH

The following table provides the details of the Skill Based Courses introduced under Choice Based Credit System.

Department	New Course/Units Introduced in syllabi
U.G Zoology	Soft Skills Communication and personality development Domestic Skills Managment Food Preparation and Preservation Fish Culture House Keeping

4. INTER-DISCIPLINARY PROGRAMMES STARTED

DEPARTMENT OF TAMIL

2010-11

Open Elective (Non Major Elective) has been introduced for the II Year UG students

Department	Title of Non Major Elective
TAMIL	EC2 – Panithervutamil
	EC4 – Ariviyal Tamil

Elective Courses offered to PG students

Department	Subject Title
Tamil	Ithaliyal – Orr Arimugam
	Payana Ilakkiyangal

DEPARTMENT OF ENGLISH

2010-11

Open Elective (Non Major Elective) has been introduced for the II Year UG students

Department	Title of Non Major Elective
ENGLISH	Shakespeare Stories
	Short Stories

Elective Courses offered to PG students

Department	Subject Title
English	Transaction – Theory and Practice
English	Communication skill and development theory and practice

DEPARTMENT OF HISTORY

Open Elective (Non Major Elective) has been introduced for the II Year UG students

Department	Title of Non Major Elective
History	Panchayat Raj with reference to TamilNadu
	Journalism

Elective Courses offered to PG students

Department	Subject Title
History	History of Freedom Movement in India from 1885 to 1947 A.D
	Women in Modern India

DEPARTMENT OF ECONOMICS

Open Elective (Non Major Elective) has been introduced for the II Year UG students

Department	Title of Non Major Elective
Economics	Risk management
	Energy Economics

lective Courses offered to PG students

Department	Subject Title
Economics	Economics of Insurance Economics for competitive Examination

DEPARTMENT OF COMMERCE

Open Elective (Non Major Elective) has been introduced for the II Year UG students

Department	Title of Non Major Elective
Commerce	Banking practices
	General Commercial Knowledge

Elective Courses offered to PG students

Department	Subject Title
Commerce	Entrepreneurial development E- commerce

DEPARTMENT OF MATHS

Open Elective (Non Major Elective) has been introduced for the II Year UG students

Department	Title of Non Major Elective
Mathematics	Operation Research - I
	Operation Research - II

Elective Courses offered to PG students

Department	Subject Title
Mathematics	Numerical methods & OR Optimization Techniques

DEPARTMENT OF COMPUTER SCIENCE

Open Elective (Non Major Elective) has been introduced for the II Year UG students

Department	Title of Non Major Elective
Computer Science	Fundamentals of Information Technology
	Web advertising and marketing

Elective Courses offered to PG students

Department	Subject Title
Computer Science	Web designing Visual programming

DEPARTMENT OF STATISTICS

Open Elective (Non Major Elective) has been introduced for the II Year UG students

Department	Title of Non Major Elective
Statistics	Statistical methods
	Bio statistics

DEPARTMENT OF PHYSICS

Open Elective (Non Major Elective) has been introduced for the II Year UG students

Department	Title of Non Major Elective
Physics	Laser Physics
	Solar Energy and Utilization

DEPARTMENT OF CHEMISTRY

Open Elective (Non Major Elective) has been introduced for the II Year UG students

Department	Title of Non Major Elective
Chemistry	Chemistry in everyday life
	Hydrochemistry

Elective Courses offered to PG students

Department	Subject Title
Chemistry	Food and nutrition
	Agro chemistry

DEPARTMENT OF BOTANY

Open Elective (Non Major Elective) has been introduced for the II Year UG students

Department	Title of Non Major Elective
BOTANY	Herbal Botany
	Mushroom Culture

Elective Courses offered to PG students

Department	Subject Title
Botany II Semester IIISemster	Botany Medical Microbiology

DEPARTMENT OF ZOOLOGY

Open Elective (Non Major Elective) has been introduced for the II Year UG students

Department	Title of Non Major Elective
Zoology	Poultry Science
	Vermi Culture

Elective Courses offered to PG students

Department	Subject Title
ZOOLOGY	Apiculture Public Health and Hygiene

DEPARTMENT OF GEOGRAPHY

Open Elective (Non Major Elective) has been introduced for the II Year UG students

Department	Title of Non Major Elective
Geography	Principles of Satellite remote sensing
	Global resources

Elective Courses offered to PG students

Department	Subject Title
Geography	Principles of Disaster Management in Geography Remote sensing and application

5. EXAMINATION REFORMS IMPLEMENTED:

- Semester Pattern of Examination is introduced.
- Academic Calendar is prepared and followed by the institution for its various activities like tests, semester examinations and other activities.
- Instant Examinations is conducted for the unsuccessful candidates within 15 days of publishing the results of the semester examinations and thereby the candidates have the advantage of going with the regular stream without losing semester.

6. CANDIDATES QUALIFIED: NET/SLET/GATE ETC:

Nil

7. INITIATIVE TOWARDS FACULTY DEVELOPMENT PROGRAMME:

DEPARTMENT OF COMMERCE

Mrs. T.Vasuki and Mrs. D.Ulagammal have registered for Ph.D. in Bharathidasan University during the year 2010 -2011.

Mrs. P. Muthamil Thirumagal, Mrs. S.V.Soundaravalli, Dr. J.J. Jeyakumari, Dr. A. Kanmani Joan of Arch, Mrs. D. Valarmathi, Ms.Akila, Mrs. D. Ulagammal, Mrs. D. Kowsalya, Mrs. D. Prema have equipped themselves with M.B.A Degree from various Universities.

1.	Exhibition	IYC-2011	-	private concerns	Nearly 4000 students from 13 departments of our college and more than 100 teaching faculty and 50 non teaching staff members.

This year 2011 is announced as international year of chemistry(IYC) by UNESCO. The theme of IYC-2011 is “Chemistry our life, our future” and focuses on the achievements of chemistry and its contributions to the well being of human kind.

It aims to awareness of chemistry among the general public and to attract young people into the field, as well as to highlight the role of chemistry in solving global problems.

In order to celebrate International Year of Chemistry-2011(IYC) ,we the department of chemistry (staff & students of both UG&PG) arranged an exhibition named us “Chem feast 2011”. In this event nearly 150 models which include Green chemistry, Textile chemistry,Nano chemistry etc are exhibited by our students. Nearly 4000 students from 13 departments of our college and more than 100 teaching faculty and 50 non teaching staff members are benefited by this event. We have got partial finance assistance from private concerns to print certificates and banner

Environmental Education Club

To create interest in activities other than the curriculum, Part V extension activities are introduced in our College. Department of chemistry was in-charge of Environmental education during 2007-2008. Inside the college premises different areas are allotted to group of students and they are provided with necessary equipment and are expected to keep the area clean and tidy.

The students should work 90 hours in the second year of their study. The activity should be performed outside the class hours.

DEPARTMENT OF BOTANY

The college renders various community services through its different departments and clubs.

National Service Scheme:

S.No.	Date	Activity	Place	Resource Persons
1.	31/05/2011	Special camp	Mariamankovil	Director ,veterary department
2.	06/06/2011	Blood donation camp	R.S.G.A.College Thanjavur	Dist Medical officer

DEPARTMENT OF CHEMISTRY

Library

No. of Text books : 500

No. of Reference books : 1164

No. of Journals : 3

Journals Particulars

1. International journal of chemical science - Quarterly

2. International journal of pure and applied chemistry - Half yearly

3. Indian journal of chemistry – Monthly

No. of magazines : Nil

It is currently housed in a portion of a class room with facility for a group of students to sit and read. The library has more than 1500 books. It include reference books, text books, tamil medium books, journals, as well as book bank books. These books are neatly classified according to the subject. Mrs. R. Geetha and Dr. P. Shanthy are the in charge of the department library.

MODE OF ISSUE:

Books are issued on all the days of week they can choose one book and keep it for a week. She can get the book reissued for one more week if no other student has registered for the book.

Average no. of books issued per day : 15

Average no. of books issued per month : 300

Ratio of library book to the no of students : 6

Around 185 books are available in the book bank. Financially weak students are utilizing the books and they are allowed to keep them during exam time. Question bank is also kept in the library for the benefit of the students.

23. COURSES IN WHICH STUDENT ASSESSMENT OF TEACHERS IS INTRODUCED AND THE ACTION TAKEN ON STUDENT FEEDBACK:

DEPARTMENT OF TAMIL

Feedback about the teacher's performance is collected from students through Questionnaire, Suggestions through PTA meeting. If any remarks are found against any teacher she is advised to rectify. Refer controller office.

DEPARTMENT OF MATHS

After getting feedback from the students of UG III year, PG I year and PG II year, the teaching methods have been changed.

For example, the classes are taking for I and II PG students by using LCD Projector through computer.

DEPARTMENT OF STATISTICS

Student feedback is provided by the students in hand-written form for each subject and action to improve teaching has been taken there and then

DEPARTMENT OF ZOOLOGY

B.sc & M.sc Zoology Students

DEPARTMENT OF GEOGRAPHY

B.Sc., & MSc., Geography

- Tutorial System is in practice.
- Easy approach of the staff
- Personal Care and coaching
- Feedback are collected from student for every year
- Rectification are carried out on learning difficulties

24. UNIT COST OF EDUCATION:

Total No. of Students (2010 - 11)

Unit cost (with salary)

Unit cost (without salary)

25. COMPUTERIZATION OF ADMINISTRATION AND THE PROCESS OF ADMISSIONS AND EXAMINATION RESULTS, ISSUE OF CERTIFICATES

Area of operation	Computerization
Admission	Fully Computerised
Fees Collection	Not Computerised
Controller of Examination	Fully Computerised
Office	Patially Computerised
Library	Patially Computerised

26. INCREASE IN THE INFRASTRUCTURAL FACILITIES

DEPARTMENT OF TAMIL

Infrastructure Development provided (2010-2011)

Funds utilized from UGC: bought books (Rs.30,000)

DEPARTMENT OF COMMERCE

Infrastructure Development provided (2010-2011)

Equipment:

2010 – 2011 - “ - 3 computers - Rs.115500
2010 – 2011 - Autonomous grant – 5 computers – Rs.192500

Furniture:

2010 – 2011 - Steel container - Rs.7600
2010 – 2011 - Steel chair - Rs.6600

Funds utilized from UGC:

DEPARTMENT OF PHYSICS

Infrastructure Development provided (2007-2012):

- Spray Pyrolysis Unit for Thin Film deposition
- Ultrasonic cleaner
- Magnetic stirrer
- Electronic weighing Machine(Upto five decimal)
- Distillation Unit
- Accessories for Crystal Growth
- Soft ware packages for Crystallography studY
