Club no. 71961 Since 1996

LEO CLUB OF KUNTHAVAI

Leo club comprises of young men and women, who are trained to make a difference in their community. Leo club activities and projects enhance the community and help young people develop and practice leadership, organization and social skills. Leo club involvement can instill in young people a lifetime commitment to helping others.

The word **LEO** expresses the motto **L**eadership, **E**xperience and **O**pportunity. Leo Club of Kunthavai is sponsored by Lions Club of Thanjavur Host. It elects its own office bearers every year. It is wholly managed by the office bearers who raise funds for service to the poor, conduct of various outreach programmes and also towards development of their personality traits.

The Parent Club organizes the Installation of office bearers every year. PSTs along with 17 office bearers forms the functional team guided by the Leo coordinator of the college and a Leo Advisor from the Parent Club. Leos work together to create a positive impact on the community. They render a lot of community services outside the college in the nearby areas, their place of dwelling, old age homes, orphanages, Government schools etc., lending them a helping hand and creating awareness.

OBJECTIVES

The main objective of the Leo club is to promote service activities among the youth and to develop self-realisation in individuals, helping them to seize every opportunity and to unite its members in friendship, fellowship and mutual understanding with the local, national and international community. The specific objectives are

1. **LEADERSHIP:** Leo members acquire skills as project organizers and motivators of their peers.
2. **EXPERIENCE:** They discover how teamwork and cooperation can bring about change in their community and the world.
3. **OPPORTUNITY:** Leos develop positive character traits and receive recognition for their contributions.
