Kunthavai Naacchiyaar Government Arts College for Women (Autonomous),

Kunthavai Naacchiyaar Government Arts College for Women is an Autonomous institution affiliated to Bharathidasan University, Tiruchirappalli. It was founded in 1966 by Government of Tamil Nadu. The Department of Geography, Kunthavai Naacchiyaar Government Arts College for Women (Autonomous), Thanjavur (*hereafter termed as the first party*) recognize the need for Industrial training and awareness to the student and help them achieve their goal by engaging themselves with Geospatial Industrial needs.

About Scanpoint Geomatics Private Ltd.,

Scanpoint Geomatics Private (SGL) Ltd (*hereafter termed as the second party*), is a pioneer the nation's geospatial domain through IGiS - an indigenous technology which brings GIS, Image Processing, Photogrammetry, and CAD together on the same platform. At SGL, we share more with you that the products we offer. We also share your drive to solve complex GIS problems, increase your yield and enable your next geospatial technology platform. IGiS caters to a multitude of solutions across industries like Agriculture, Defence, Forestry, Disaster Management, Land Information, Mining, Power, Smart City, Urban Planning and Utilities.

Our deep understanding of Geospatial industry and the breadth of solutions we offer, make us uniquely qualified to cater your needs by a team of experts with decades of experience in Geospatial industry. We are most proud of our technology development partnership with ISRO in the search for the best solutions and approaches for the products we make. Our partnership ensures that our customers can access the latest advances in GIS, Image Processing, Photogrammetry, and CAD. Backed by ISRO's domain expertise, we aim to push forth innovation and uplift the global geospatial domain

The Second Party will facilitate effective utilization of the intellectual capabilities of the First Party by providing significant inputs to them by offering suitable training module, opportunities for consultancy and collaborative projects using stakeholders of the institutions / aspirant without any commercial benefits and without disturbing regular academic activities either by online or offline or hybrid mode.
