

**KUNTHAVAI NAACCHIYAAR GOVERNMENT ARTS COLLEGE FOR WOMEN (A),  
THANJAVUR 613 007**

**DEPARTMENT OF BOTANY**

**Title:** Workshop cum Hands on Training Programme For Self-help Group ( SHGs)

**Objectives of the Practice:** The Primary focus of his programme is to facilitate the process of self empowerment and to provide micro-finance to these groups

**The Context:** Our department has been proudly provides a platform for exchange of ideas and promotes saving habits among rural peoples, In such a way, Training programme on cultivation on Mushroom and Business commercialization provides platform to enhance the SHGs self empowerment

**Evidence of Success:** This programme play a great role in empowering women gives monetary support through the business commercialization of mushroom cultivation

**Problems Encountered and Resources Required:** Being a government collage there is a lack of funds to organize such an event to gather all the SHGs. Remarkably there are no financial implications for our institution, as this programme is extended to participants in and around villages of our collage.

**Notes (optional) :** Recognizing that a significant proportion of our college students hail from rural areas characterized by limited socio-economic,status and unemployment will be reduced by providing seed Balls and seed money through this programme, there by bridging the accessibility gap.
