The Career Guidance and Counseling Cell organized a Career Planning and Job Skills Development program for the final year UG and PG students on 13.10.2023. Mrs. V. Manochitra, Head & CEO, ISWAY TECHNOLOGY, Thanjavur gave a wonderful session on career opportunities available for the students and the ways to develop them to become techsavy. She insisted that the starting point for ambitious people in any role is using emotional intelligence to establish their own skills and knowledge levels, and enhancement goals, The expression 'information is power' has never been more appropriate. The days when only the IT department needs to be 'computer literate' are long gone. Being comfortable with modern software is now a job requirement for many roles. This skill for career progression and personal growth links with the above area of learning and development. Yes, 'overnight' ideas that are pure genius can happen. However, often innovation comes from 'data crunching' and a great deal of observation and research. She also encouraged the students to develop their ability to be more innovative and intuitive in the workplace, beyond learning the basics of data analysis. The role of Data Analyst, the need and importance, skills to be developed was clearly explained to the students. Students participated : UG – 131, PG - 36

Career Planning and Job Skills Development – Interaction with students

Career Planning and Job Skills Development

Job oriented Computer Training Program was organized by the Career Guidance and Counseling Cell for the final year UG and PG students on 17.10.2023. Mr. Afal Ahamed, Regional Manager Training, SSL- Madurai. He enlightened the students about the more popular computer courses AI, which allows for the creation of intelligent computer systems that process and interpret complex data. With AI gaining prominence across industries, this course provides career opportunities in machine learning, robotics, and natural language processing, A strong online presence is essential in today's digital age. This has therefore made web development skills extremely valuable, the foundation of a successful software development career, learn programming languages such as Python, Java, or C++. Additionally, develop efficient, error-free code and problem-solving skills, leading to multiple opportunities in the tech industry. As cyberthreats become more prevalent, organizations are looking for cyber security professionals. Computer courses in this field, therefore, have become important. Such courses focus on

understanding security threats, putting in place strong security measures, and protecting computer systems. Learn ethical hacking, vulnerability assessment, and encryption to become a valuable asset in protecting sensitive information. In our data-driven world, it is critical to analyze and interpret information. Learn how to collect, clean, analyze, and visualize data to derive meaningful insights. Data analysts play a significant role in businesses today, enabling informed decision-making and business growth. To do so, one must master statistical analysis, data visualization, and predictive modeling. He also narrated about the Explore algorithms and statistical models that allow computers to learn from data without explicit programming. Learning how to use cloud services such as AWS, Azure, and Google Cloud. Additionally, learn about cloud architecture, how to deploy applications, and how to use cloud-based storage and databases, to develop iOS and Android applications using frameworks such as React Native or Flutter. Furthermore, gain access to the thriving app market by learning mobile app development and bringing innovative ideas to life. Students participated: UG – 190, PG - 79

Interaction with students

Tamilnadu Skill Development Corporation – Naan Mudhalvan with Face Prep and LinkedIn, jointly organized a LinkedIn Career Kickstarter Program to the UG II and III year students on 26.10.2023. Ms. Parkavi, Ms. Nivetha and Mr. Dhanushkumar, Associate Trainers of Face Prep taught the students the steps in activating the LinkedIn account. The training delivered by FACE Prep was really helpful for the students to build skills in the various disciplines. It was very informative, easy and interesting for the students to understand the concepts. FACE Prep is one of India's largest placement focused skill development company for job preparation which joined with LinkedIn to make the students to understand the impact of an LinkedIn account which will furnish details about the placements available. Campus Placement Interview Tips were provided to the students

1. Make Resume Impressive.
2. Prepare for Basic Campus Placement Questions.
3. Find Out as Much as the student Can About the Organizations Coming in for Campus Placement.
4. Make Sure That the Relevant Documents Are in Order.
5. The Way You Present oneself Is Vital.
6. Dress the Part.

LinkedIn is a business and employment-focused social media platform that works through websites and mobile apps. The platform is primarily used for professional networking and career development, and allows jobseekers to post their CVs and employers to post jobs. LinkedIn allows members (both workers and employers) to create profiles and connect with each other in an online social network which may represent real-world professional relationships. Members can invite anyone (whether an existing member or not) to become a connection.

The trainers narrated the steps to create an LinkedIn account and accessed to the free premium for 6 months to the students. Students participated : UG – II year – 1164,

Career Guidance and Counseling Cell conducted a campus interview with Winners Institute of Communicative English (WICE) – Trichy for the UG and PG final year students on 01.02.2024. Mr. Stalin Amalraj – General Manager, Mr. Jesinth, conducted group discussion

which was a comprehensive technique to judge the suitability of an individual and the appropriateness for job. The primary goal of a group discussion was to assess a candidate's ability to communicate, collaborate, and present their ideas effectively. GD assesses the overall personality – thoughts, feelings and behaviour - of an individual in a group. Topics were presented to the group members for discussion. The main objective of group discussion was to share and exchange knowledge and ideas, clarify doubts, and arrive at a collective decision or understanding. A personal interview was usually a face-to-face meeting or two-way communication between the recruiter and the candidate. The recruiter seeks to determine how well the candidate could fit in with the job and the organization. 24 students were selected by WICE for the Job Position- Soft Skill Trainer. Students participated : UG - 71, PG – 11, Selected : UG – 22, PG – 2

Career Guidance and Counseling Cell organized an inhouse counseling and training programme Session 2 for the UG and PG final year students on 05.02.2024. Dr.Vivek Ravi, Founder & Chairman of Apex Academy, Thanjavur explained the need for Mind Prowess to the students. He illustrated the impact of mental and physical health which will help the students in all their endeavors. He motivated the students for public speaking and made them realize the need for updating their mind to compete in the business world for employment, by enabling entry to a world rich with accessible knowledge with self motivation and self awareness. The session was about Self-knowledge which means understanding your own sensations, thoughts, beliefs, values, and behaviors. It's about knowing what makes you tick, why you get out of bed in the morning, and what you value in relationships. Examining yourself requires constant self-awareness and self-consciousness. Steps to Achieving Total Self-Love below was discussed :

1. Stop comparing yourself to others.
2. Don't worry about others' opinions
3. Allow yourself to make mistakes.
4. Remember your value doesn't lie in how your body looks.
5. Don't be afraid to let go of toxic people.
6. Process your fears.
7. Trust yourself to make good decisions for yourself.

Career guidance and Counseling Cell organized a session on Career Guidance and Resume Building for the final year students on 07.02.2024. Dr. S.Shiny, Associate Professor and Director, KVIM – Coimbatore provided an insight to the students about choosing a career and resume building. Career guidance was given to students to help them acquire the knowledge, information, skills, and experience necessary to identify career options, and narrow them down to make one career decision. This career decision then results in their social, financial and emotional well-being throughout.

She also explained the students about the difference between the resume, curriculum vitae and bio data. A resume is a one page summary of your work experience and background relevant to the job you are applying to. A CV is a longer academic diary that includes all your experience, certificates, and publications. Students participated : UG - 128
